

SAVINGS TIPS

Entertainment

HIT THE LIBRARY - HARD!

Don't look at a library as just a place to borrow books. Look at it as a free place to do all sorts of things. You can use it to learn a foreign language, meet people, use the Internet in a pinch, check out movies and CDs, grab local free newspapers, and keep up on community events. Best of all, it doesn't cost anything!

APPS!

There are a lot of free apps for entertainment, including a library app that allows you to borrow books online from the State Library called 'Overdrive'. All you need is a library card when signing up.

LOCAL COUNCIL

Check out your local council's website to view the entertainment options. They offer a variety of options that may include free movie nights, fairs, fireworks and more!

ACTIVITIES FOR KIDS

If you google 'free entertainment for kids, Perth' you will find various websites dedicated to letting you know the latest activities on hand.
